#### TESTIMONIAL

"Your show was fantastic. I attended the Norse-Penrose show just as a spectator to see how their show compared...there was no comparison. I would never want to do their show over yours. Your location was perfect for the area I generally work and your facility was clean and perfect for hosting the show. I was telling everyone there that they should have gone to the Colorado Springs Event Center show last month and many people there agreed with me (at least the people that attended both shows). I couldn't be more pleased with my decision to participate in your show. I will do all that I can to budget it in for next year."
