Special Event Sales Tax Application

General Instructions

Businesses that have no permanent place of business but sell goods at fairs, festivals, bazaars, etc. or businesses that meet the requirements for a standard sales tax license, but also sell at other locations, such as fairs and festivals are required to obtain a Special Event Sales Tax License using the Special Event Sales Tax Application (DR 0589).

To apply for a standard sales tax license, complete the Colorado Sales Tax and Withholding Account Application (CR 0100).

Anyone who sells retail in Colorado without obtaining a sales tax license commits a class 3 misdemeanor and may also be subject to civil penalty of \$50 per day to a maximum penalty of \$1,000.

Special Event Sales Tax Return

General Information

Sales tax licensing and collection requirements apply to all taxable sales made at special sales events in Colorado. A special sales event is an event where retail sales are made by more than three sellers at a location other than their normal business location(s) and that occurs no more than three times in any calendar year.

Anyone making retail sales at one or more special sales events must obtain a special event license, unless the event organizer has obtained a license to file returns and remit tax on behalf of sellers participating in the event. A special event organizer may elect to obtain a special event license in order to file and remit taxes on behalf of some or all of the sellers participating in the event. Special event sellers and organizers can apply for licenses by filing a Sales Tax Special Event Application (DR 0589).

Anyone making retail sales at a special sales event must collect the applicable state and state-administered sales taxes. The seller must either file a special event sales tax return to remit the tax or, if the event organizer has obtained a license, the seller may remit the tax to the organizer for the organizer to report and remit with a special event sales tax return the organizer files on behalf of special event sellers.

Electronic Filing Information

Special event sellers and organizers can save time and reduce filing errors by filing their special event sales tax returns electronically through Colorado.gov/RevenueOnline

The online filing system includes a list of special sales events and has been pre-programmed with the location and dates for these events. If the special sales event is not included in the list, the seller or organizer filing the return must manually enter the location and dates for the special sales event. The electronic filing system determines the applicable tax rates based upon the date and location of the special sales event.

Additional Resources

Additional sales tax guidance and filing information can be found online at Tax.Colorado.gov These resources include:

- Colorado Sales Tax Guide
- Sales tax classes and videos available online at Tax.Colorado.gov/Education

Payment Information

The Department offers several different payment options.

Electronic Payments

Regardless of whether the return is filed electronically or with a paper return, payment of the tax due can be remitted electronically using one of the following payment methods.

- **Direct Debit** – Retailers can remit payment electronically by direct debit online at Colorado.gov/RevenueOnline Retailers must be logged into their Revenue Online account to make direct debit payments. There is no processing fee for direct debit payments.
- **EFT Payment** – Payment can be remitted by electronic funds transfer (EFT) via ACH credit. There is no processing fee for EFT payments. See Electronic Funds Transferred (EFT) Program For Tax Payments (DR 5782) and Electronic Funds Transfer (EFT) Account Setup For Tax Payments (DR 5785) for additional information. EFT numbers will no longer be issued. ACH Credit payments can be made using a SSN, FEIN or CAN in the same place in the file that an EFT number is entered. A DR 5785 does not need to be submitted before the financial institution can start sending ACH Credit payment files.
- **Credit Card and E-Check** – Payment can be remitted electronically by credit card or electronic check online at Colorado.gov/RevenueOnline A processing fee is charged for any payments remitted by credit card or electronic check.

Paper Check

Regardless of whether the return is filed electronically or with a paper return, payment can be remitted with a paper check. Sellers or organizers should write “Special Event Sales Tax,” the account number, and the filing period on any paper check remitted to pay sales tax for a special sales event.

- **Paper Return** – A paper check can be mailed along with the paper return to pay the tax reported on the return.
- **Electronic Filing Through Revenue Online** – If the electronic return is filed electronically, the filer can select “Payment Coupon” for the payment option after submitting the return to print a payment processing document to send along with their
